Dear Daniel Pugmire,

Empower Idaho is pleased to inform you that you have been selected by the Region 3 Behavioral Health Board as their 2020 Idaho Mental Health Month Advocate Awardee! The Behavioral Health Board was asked to identify an individual in their community who exemplifies community advocacy, resiliency, and dedication to the advancement of mental health in Idaho. All of these qualities were recognized in you and are deeply appreciated by your community.

Your work on Caldwell Veteran's Gardens is just one of the reasons you were selected by The Board as their Mental Health Advocate. Your effort in helping veterans with PTSD, families of those who have died by suicide, and people in recovery shows your dedication to members of your community and their loved ones who are struggling with mental health conditions.

Your physical award will be mailed at a later date due to the impact of COVID-19 on local business operations. In the meantime, please accept this certificate in recognition of all of your hard work and commitment to helping others, which has not gone unnoticed. On behalf of the Region 3 Behavioral Health Board and Empower Idaho, we thank you for your community-mindedness and for your example of what it means to be an advocate. Congratulations on receiving this prestigious acknowledgement!

Sincerely,

Anna Guida, MPA
