Dear Captain Sam Hulse,

Empower Idaho is pleased to inform you that you have been selected by the Region 7 Behavioral Health Board as their 2020 Idaho Mental Health Month Advocate Awardee! The Behavioral Health Board was asked to identify an individual in their community who exemplifies community advocacy, resiliency, and dedication to the advancement of mental health in Idaho. All of these qualities were recognized in you and are deeply appreciated by your community.

The Board wanted to acknowledge you for your commitment to advocating for behavioral health issues throughout the region, delivering CIT training, and your service on the Behavioral Health Board. They believe that you are an excellent example of what it means to be a Mental Health Advocate.

Your physical award will be mailed at a later date due to the impact of COVID-19 on local business operations. In the meantime, please accept this certificate in recognition of all of your hard work and commitment to helping others, which has not gone unnoticed. On behalf of the Region 7 Behavioral Health Board and Empower Idaho, we thank you for your community mindedness and for your example of what it means to be an advocate.

Congratulations on receiving this prestigious acknowledgement!

Sincerely,
